TECHNOLOGY
FOR
EMERGENCY

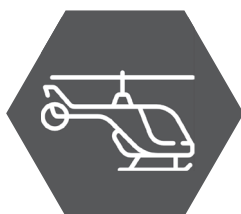

Your strong partner for emergency medicine

Ambulance

Air rescue

Sea rescue

Military

Hospital

Seconds that can be crucial.

In case of emergency, reliable functioning and uncomplicated operability of the equipment must always be guaranteed. With innovation and technology, we have made it our mission to make the everyday life of rescue workers easier. For the first time at this trade fair, we will present our innovative stretcher accessories in addition to our mounting systems and system solutions.

We look forward to welcoming you at our stand.
