PROFILE is bringing to RettMobil23:

- **Savior** – a new era of ambulance with Airbag system in patient compartment, 360 lights and cameras, high safety and quality features hasn't seen before.
- **MB G-class based All Terrain Military Ambulance** – an exceptional solution for civil and military applications, where the road gets tough.
- **Arctic Rescue Ambulance** – ARA enables patient treatment and transportation by ATV and snowmobile on demanding conditions.

...and more.

**Profile will present a world premiere at the fair.
Come visit us in the tent No. 2, booth No. 210!**
